

Third Grade

Cool Reading to Beat the Summer Heat

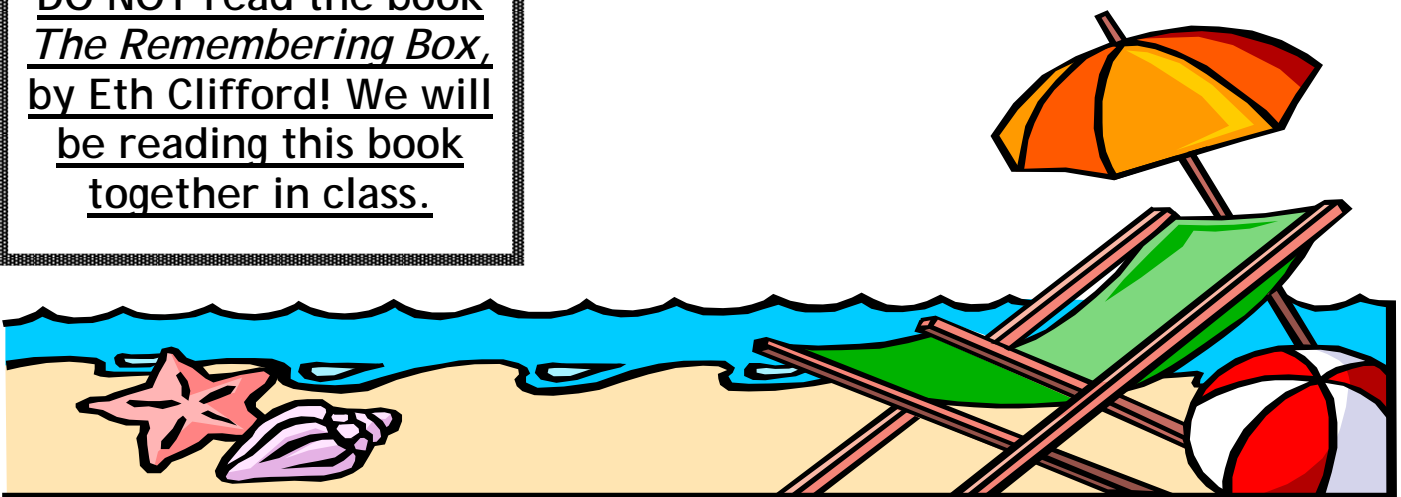

Dear Incoming Third Grader,

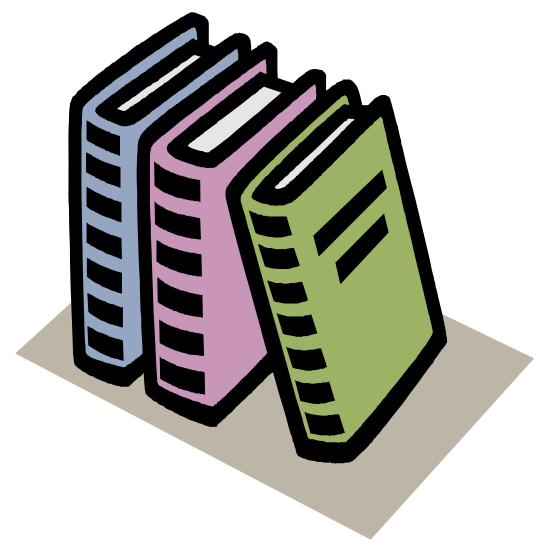

We are looking forward to having you in third grade! We will be learning so many wonderful things in third grade. In order to prepare for the coming school year, we would like you to read **three** chapter books from the enclosed reading list. You must choose one title from each author. You may enjoy looking at Beverly Cleary's website for fun and games: www.BeverlyCleary.com. We expect you to read and enjoy these books over the summer. The library is a perfect place to locate these titles, or your parents may purchase the books at a local bookstore. Speak with your local librarian about choosing appropriate reading level books. You may want to choose a few books from each author and then select your favorites to read. We hope that you will have fun reading these books as they prepare you for the adventures of third grade. During the first week of school, we will be having discussions and activities about your selected books. Please bring your Summer Reading Record Sheet the first day of school. Have a great summer!!!

IMPORTANT!!!

DO NOT read the book
The Remembering Box,
by Eth Clifford! We will
be reading this book
together in class.

Sincerely,
The Third Grade General Studies Teachers
