

**Middle School Supplies: 2009-2010/5769-5770**  
**6<sup>th</sup> Grade Supply list**

---

One of the most difficult areas for Middle School students is organizing all of their school materials. We have therefore worked very hard to create a uniform set of school supplies for each student. We feel that this will help all middle school students develop the personal organizational skills that will streamline their success for life.

Please see the following list of **required** school supplies for each grade. On the required list you will find binders, folders, subject dividers, etc. We ask you to please buy these specific supplies for your children so that all students have identical materials. While we are aware that there are many types of binders and subject dividers available, some that cost less than those on the list, years of experience have taught us that these specific items will work best for your children.

That said, we know that middle school students find great joy in expressing their individuality. Therefore, students are encouraged to choose their own pens, pencils, highlighters, and any other item that is not included on the list that they feel will help them to succeed in school. Additionally, some teachers may require some other supplies just for their class. The teacher will tell the students on the first day of class what they will need.

**Required Materials**

- Six 1” *Class* Binders (as many different colors as possible)
- Two 2” *Storage* Binders
- Eight Packages of Dividers
- Six homework folders for *Class* Binders
- Four packs of Lined paper (wide-ruled)
- One pack of reinforcements
- One set sheet protectors
