

Middle School Supplies List: 2017-2018/5777-5778
For Grades 6, 7 and 8

The list of required school supplies for all Middle School students is below. On the required list you will find binders, dividers, paper, and other general supplies. While we are aware that there are many types of these supplies available, some that cost less, we believe that these specific items will work best for your children.

Additionally, some teachers may require other supplies for their specific classes. If your child will be taking Spanish, 8th-grade science, or 8th-grade Honors math, please see the additional supplies list on page 2. Other teachers will tell the students what they will need as it is required.

Required Items I: The links in the chart below may be used to order the required items from Staples if desired

- Four 1-1/2" class binders (one each in green, white, black, and blue for subject color coding)
- Four sets of dividers with writable tabs (not "insertable" tabs)
- Four packages of college-ruled paper (will need to be replenished periodically)
- One package of graph paper
- One set of reinforcements for hole-punched pages
- One set of sheet protectors
- Hebrew Keyboard Letters (can be ordered from Amazon)

#	Item	Details/Amount	Item #

Required items II—Choose your own versions of these required items

- | | |
|--|--|
| <ul style="list-style-type: none"> * 24 pencils (many students prefer mechanical) * 24 pens (blue or black); 2 or 3 green and/or red pens * One SOFT pencil case, not to be kept in binder * 2-3 large erasers * One box colored pencils or markers * 3-4 highlighters of different colors | <ul style="list-style-type: none"> * 2 Glue Sticks * Scissors * Ruler * 6 packages, 3 X 5 index cards, ruled * 3 x 3 inch Post-it notes—3 pads * 2 Composition notebooks |
|--|--|

Items Specific to Spanish

- Large binder (2"-3")
- 1-subject spiral notebook

Items Specific to Math

6th and 7th graders are not expected to purchase calculators.

8th graders not in the honors class are not expected to have their own calculators.

- If anyone in the aforementioned 8th grade sections wishes to buy a calculator, they will eventually need the graphing calculator listed for 8H below.
- If they want a calculator that isn't for graphing, we recommend the TI-30, available here: https://www.amazon.com/Texas-Instruments-Scientific-Calculator-Accents/dp/B00000JBNX/ref=sr_1_1?ie=UTF8&qid=1496369683&sr=8-1&keywords=ti-30

Students in 8th grade Honors math need a graphing calculator (one of the many in the TI-84 series).

- We recommend the slightly more expensive color version - TI-84ce - for its speed, operating system, and clearer display. It is available here: <https://www.amazon.com/Texas-Instruments-TI-84-Graphing-Calculator/dp/B00TFYYWQA>

Note: We have discussed the growing number of requests for using phones as calculators, with apps on smartphones available for a significantly lower price. However, we simply cannot allow phones to be used for any reason during assessments, so calculators are needed.

Item Specific to Eighth-Grade Science

- 1-inch white binder with view pockets on front and back, such as http://www.staples.com/Avery-Economy-1-Inch-Round-3-Ring-View-Binder-White-5711-/product_520064.
